The 2013 Japan Aeropress Championship takes place on May 17th at Fuglen, in the Shibuya district of Tokyo. Kenji Kojima of Fuglen Tokyo and Noriko Sunaga of Manly Coffee in Fukuoka have organized the event and commissioned Norway's Kaffikaze to design the poster you see above, which is easily one of **the more striking specialty coffee event images** we've ever seen. Norwegian Brews Cup finalist Ingri M. Johnsen (representing Kaffikaze and Solberg & Hansen, whose coffee will be used during the competition) was asked to be a judge at the event.
